As extra incentive for pulling everything together come final exam time, if your final exam score is higher than your lowest midterm score, then your lowest midterm score will be replaced by the final exam score. For this reason, there will be no makeup exams. If you miss an exam, your final exam score will replace your midterm score. If you miss two exams, you will get a zero as your score on the second exam missed.

Your recitation score will be composed of your groupwork scores and your homework scores. You will have one groupwork and one homework due each week. Your lowest homework and groupwork will be dropped. See the website for homework assignments and further information on homework writeups and grading.

Email: You are responsible for information contained in email messages sent to your official OSU email address (`yourlastname.#@osu.edu`) so you should check your email at least once per day.

Website: Important class information, including homework assignments, will be available on the class website: <http://www.math.ohio-state.edu/~heather/151AMath.html>

Tutor Room: The *MSLC Tutor Room* is available to you, but with the exception of Gateway preparation, it may not be particularly helpful for this course. Come to office hours for help geared directly toward this course.
