3.1–3.4
Exam 1
4.1–4.7, 4.9, 4.10
Exam 2
7.1–7.8
Exam 3
8.1–8.4
Final Exam

Remarks
- Homework will be assigned at regular intervals, collected and graded. It is very important that, in addition, you work on other exercises from the text. It is unlikely that a student will understand the material well without solving a large number of exercises.
- Attendance is important for obvious reasons but also because the quizzes may not be announced in advance.
- All the exams are “closed-book”, however, students are allowed to bring 1-3 pages of formulas.
