NAME: _____

TODAY'S DATE: _____

Please blacken those times during which you could attend the Putnam class. We hope to get a contingent 90 min slot per week, if possible. Mark by a simple X rather than by full black such slots that you find possible, but not too desirable. Retain two copies of this form (one blank, one filled out) and send me an update if necessary. (Jochen Denzler - Ayres 317E - 5-4325 or cell 604-7173). Drop this form into my mailbox (or have our nice office ladies drop it there)

The course contents adapts to student prerequisites, and may be taylored individually. We will have some traditional teaching and some discussion, problem solving etc, as needed. For this purpose, I'd like to know which coursework you have already accomplished and what you are also attending during the semester.

LIST PREVIOUSLY ATTENDED COURSES (KIND OF CHRONOLOGICALLY): (e.g. HS 142, if you skip our 142 b/c you had that contents at high school), or 147 for our 147
