High school students: Get a personalized SAT study plan at www.collegeboard.com/quickstart

YOUR CODE: A25890416S

- Check your projected SAT scores online: Did you know you can add a "0" to the end of each PSAT/NMSQT score to find the equivalent SAT scores?
- See how your performance compares to that of students in your state: Did you know two-thirds of U.S. students begin college in their home state?

The Selection Index (S.I.) is the sum of your critical reading, mathematics, and writing skills scores. NMSC uses the S.I. as an initial screen of over 1.4 million students who enter its scholarship programs (see reverse).

The asterisk () next to your Selection Index means you do not meet entry requirements for NMSC's 2009 programs. See your responses to entry items below and further information on the reverse side.

Entry Requirements

Below is information you provided on your answer sheet.

Full-time high school student:

YES

Year to complete high school and enroll full time in college:

2010 +

Years to be spent in grades 9–12:

4

U.S. citizenship:

YES

Selection Index

215*

Percentile

compares your performance with college-bound juniors **99**

The Selection Index (S.I.) is the sum of your critical reading, mathematics, and writing skills scores. NMSC uses the S.I. as an initial screen of over 1.4 million students who enter its scholarship programs (see reverse).

The asterisk () next to your Selection Index means you do not meet entry requirements for NMSC's 2009 programs. See your responses to entry items below and further information on the reverse side.

Entry Requirements

Below is information you provided on your answer sheet.

Full-time high school student:

YES

Year to complete high school and enroll full time in college:

2010 +

Years to be spent in grades 9-12:

4

U.S. citizenship:

YES

NOTE: Students leaving high school and entering college in 2010 or later must take the PSAT/NMSQT again in their 3rd year (junior year) of grades 9-12 to enter NMSC programs.

Your Educational Plans

Grade Average **A**

College Major

Engineering

Information above is self-reported.

Description: Engineering majors use knowledge of mathematics and science, gained by study and experimentation, to develop ways to use the materials and forces of nature for the benefit of human beings. In their chosen engineering specialty, they learn to research, develop, design, construct, maintain, and manage the structures, equipment, and systems they will create.

Associated Skills: Curiosity, imagination, problem solving, leadership, teamwork, working with numbers, physical sciences, communicating effectively, working with computers.

Recommended High School Courses: English 4, algebra 1.5, calculus 1, trigonometry 5, biology 1-2, chemistry 1-2, physics 1-2, history 2, foreign language 2, and computer science 1.

Scores within these ranges can be considered similar to yours:

You scored higher than **98%** of sophomores.

You scored higher than **99%** of sophomores.
