

The Math Mole

Everyone will get a chance to be a Math Mole editor twice. You'll be responsible for:

1. The MOTD (Mathematician of the Day).
2. Quote(s).
3. The Mole Puzzles.

There is more detailed information about these jobs on the class webpage. This includes guidelines and links to resources.

You'll need to email me your materials preferably the night before, but at least by noon on the day of class you are editor. (email: collins@utk.edu). You should also bring written solutions to the Mole Puzzles for Kenny.
