Math Tutorial Center (MTC) Job Application [mtc@math.utk.edu] (updated 12-20-10)

Please send this form & your letters of support to MTC or Ayres Hall 233 by the end of finals.

MTC tutors work a regular weekly schedule between 2 & 10 hours per week. They help with 100 level math classes & administrative support. With few exceptions, qualifications include: 1) completion of Math 142 or M115 and 2) recommendations from your math professors —please have them email us directly and speak to your eligibility for tutoring. Tutors must attend an orientation session 3:00-4:00 the day *prior* to the 1st day of class, and possibly further training. You'll be notified by email regarding your status. Tutors are assigned hours based on qualifications, reviews, & hours available to work. Pay is currently $10.00/hr.

Name: _____ _____ Date: _____

Last, First (formal) Nametag nickname

e-mail: _____ netID: _____

Local Address_____ Phone: _____

_____

Are you working for UT now? (circle) **Y** **N** If so, what dept.? _____

Have you worked as a tutor? **Y** **N** If so, when & where? _____

Classification for this Fall (circle): Fresh. Soph. Junior Senior Grad student

Major: _____Overall GPA: _____ Math GPA: _____ Hours available per week: _____

Math courses completed here at UTK:

Course	Semester	Instructor	Grade
