Instructions for accessing WHS for general use:

1. Go to www.mathclass.org
2. Move your mouse over the word Login located in the center of the blue bar underneath the image of the students. This will cause a login box to appear in the center of the screen.
3. Enter your login name (the E-Mail address you provided at registration), your password (your SS# if you have not already changed it), and click the Login button.
4. Move your mouse over the “Assignments” field in the list on the left side of your browser.
5. From the Assignment drop down list, select the assignment on which you are working. There are now three buttons on which you can click. For your purposes, it does not matter which one you click.
6. Assignments can be printed and worked on paper if you would like to. When you are ready to enter answers, follow steps 1 – 5 again and then continue to step 7.
7. Enter the answers for the questions you have completed (you need not answer all questions at once).
8. Scroll to the bottom of the assignment.
9. Click on the “Submit and Record Results” button.
10. Scroll through the results page to see if your answers are correct or not.
11. Close the browser to log out of the system when you are finished.
