

MGSC Meeting – 11/29/16

Attending: Bly, Weber

1. **Dippin Donuts moving to Halls, TN** Our current cost of donuts is between \$16 and \$17 per week. Krispy Kreme would cost \$20.72 per week for two dozen. Dunkin Donuts would cost \$17.46 per week. Dunkin Donuts appears to be the only possible choice at this point.
2. **Potluck Dinner** Will be Friday at 5pm. There is a concern about the number of entrée dishes being brought. Mark will make sure he makes an entrée dish or two.
3. **T-Shirts** In our meeting next Wednesday, we will need to finalize a structure for our t-shirt contest with knowledge of the t-shirt purchasing options out there. Mark will hunt this information down and share via email.
4. **Mentorship Program Quality & Workload Surveys** This will need to be sent out before the end of the semester.
5. **Town Hall Suggestions** The minutes from this semester's Town Hall will be discussed in our December meeting.
